MESSAGE

Dr. Fla July 1st 12
 Dear child - we were great
 glad you felt good and
 know that you were safe in
 your room without any mishap
 and pleased that you have so comfort-
 able quarters - Don't take a sweater
 now, but bear well - situated as
 possible, for your greater comfort -
 It is fine to have a closet & 2 windows -
 We had had no rain for two days. It is
 very pleasant twice - Father has had
 dinner & will send his love to
 you from Mother
